HIS HANDS ON AFRICA

10th Anniversary Gala

A Message from the Founders

Dear Friends,

Thank you for joining us tonight as we celebrate our 10th anniversary, a night we have dreamed of and prayed toward for a decade.

***“The LORD has done great things for us,
and we are filled with joy.” — Psalm 126:3***

As we mark our 10th year, our hearts overflow with gratitude for God’s faithfulness every step of the way, for your unwavering love and support, and for our dedicated team and volunteers who have poured themselves into this mission alongside us. We remember our humble beginnings, and we stand in awe of how far the Lord has brought us. Yet, we know there is still so much ahead.

Tonight, we are especially excited to share unique legacy opportunities at the HOPE Dental Center. Your gift will leave a lasting legacy — one that brings excellent dental care and training to the people of Rwanda for years to come. Each naming opportunity is a beautiful way to honor a loved one and plant a seed of hope, healing, and transformation that will bloom for generations.

This mission continues to thrive despite the health challenges I have faced these past two years — and even in that, we see His faithfulness at work. Tonight, through your generosity, you will also touch the lives of our dentists and dental and medical students, and the precious people in the villages we serve each week — through scholarships, Bible study fellowships, dental outreaches, and Bibles for those who are thirsting for the Word of God.

Join us tonight as we dedicate this evening to celebrating the goodness of God, and join hands with us once again — to give generously, to heal hearts and bodies, and to bless the people of Rwanda and beyond.

With hearts full of gratitude and love,

Thomas & Lita Lee
